

## MESSAGE FROM THE PRESIDENT

---

Dear Members,

It is a privilege to serve as President of the Ophthalmological Society of West Bengal – a society that has long stood as a pillar of academic excellence, ethical practice, and community service.

As we embrace new challenges and opportunities, OSWB continues to evolve – with strong focus on scientific advancement, outreach, and digital transformation. Our new website is a step in that direction – designed to keep our members informed, engaged, and connected.

I am particularly proud of the efforts to strengthen postgraduate training, interdisciplinary dialogue, and infrastructure – including the upcoming Smart Seminar Hall and Wet Lab Complex – all aimed at empowering the next generation of ophthalmologists.

I thank each one of you for your support and active involvement. Let us move forward together – with purpose, unity, and commitment to our shared goals.

With warm regards,

**Dr Arup Chakraborty**
